

2019 CAES Annual Meeting – July 9-12 – Lord Elgin Hotel – Ottawa

CALL FOR SUBMISSIONS

Deadline: Midnight (EST) on February 25, 2019

Selected Papers

Submissions on any aspect of agricultural or resource economics, including teaching, research and/or extension are encouraged.

Registration and Membership Requirements: Presenters must be members of the CAES and registered for the Annual Meeting by May 30, 2019. Each member may be the primary/presenting/contact author on up to two submitted abstracts, but there are no limits to co-authorship on other abstracts submitted by other individuals.

Submission Instructions: Papers should be original and not submitted elsewhere for presentation. Proposals must be submitted electronically using our online system. Please note that you will need to create a user ID before you can submit an abstract; in addition, your co-authors will also need to create a user ID if you would like to include them on the submission. When submitting, **you will need to copy and paste your abstract** as the system does not currently accept attachments. Abstracts should not exceed 1000 words in length. **Please do not include author names or affiliations in the abstract.**

Submissions should include the following sections: Title, Problem Statement, Objectives, Data and Methods, Results (or expected results) and Implications, and Description of why presentation will generate discussion at the meetings.

Online System:

<http://editorialexpress.com/conference/CAES2019/>

Topic Areas: Please indicate the topic area that matches the paper's contribution most closely. This will determine who reviews the paper.

- 01 – Production economics and farm/ranch management
- 02 – Resource and environmental economics
- 03 – Agri-marketing, demand and price analysis
- 04 – Agribusiness
- 05 – Agricultural finance
- 06 – Quantitative and research methods
- 07 – International trade and development
- 08 – Consumer and household economics
- 09 – Food and agricultural policy
- 10 – Community and regional economics
- 11 – Teaching and extension issues
- 12 – Agricultural industry organization
- 13 – Other

Selection: Selection will be based on input from blind peer reviews. Authors will be advised on the status of their proposals by April 30, 2019.

Contact: The CAES Program Chair for the 2019 Annual Meeting is Richard Vyn, University of Guelph–Ridgeway. Please direct all enquiries and correspondence to Richard at rvyn@uoguelph.ca

Organized Symposia Proposals

Organized sessions provide an opportunity to explore ideas that are relevant to the CAES and agricultural economics discipline. We are particularly interested in exploring novel formats, new ideas and broader engagement strategies. We welcome members to make the most of this opportunity.

Registration and Membership

Requirements: Presenting authors must be members of CAES and registered for the Annual Meeting by May 30, 2019.

Proposal Instructions: Proposals must not exceed 1000 words and should be submitted as a PDF file with double spacing. Papers should be original and not submitted elsewhere for presentation. The format is open and may involve panel discussions of prepared questions, debates, roundtable meetings, or other formats.

Proposals must include the following:

Session Title; Description of the Topic (including why it will generate discussion), Description of the Session Format; List of Session Participants (including the role each will play in the session), List of Paper or Presentation Titles (including all authors and affiliations).

How to Submit: Proposals should be emailed to CAES President, Brady Deaton, bdeaton@uoguelph.ca Please put "CAES 2019 Organized Session Proposal" in the subject line of the email.

Selection: A committee headed by the CAES President will evaluate the proposals. Final selection of proposals will be based on a clearly worded rationale for their proposed organized symposium. Authors will be advised on the status of their proposal(s) by April 30, 2019.

Contact: CAES President Brady Deaton, Department of Food, Agricultural and Resource Economics, University of Guelph, bdeaton@uoguelph.ca
